

TRAILBLAZER FIREARMS® LIMITED LIFETIME WARRANTY

Trailblazer Firearms® stands behind the quality and craftsmanship of every firearm we manufacture.

Limited Lifetime Warranty

Trailblazer Firearms warrants to the **original retail purchaser** that a new **Trailblazer Firearms** firearm will be free from defects in materials and workmanship that adversely affect its safe or proper mechanical function for as long as the original purchaser owns the firearm.

This **Limited Lifetime Warranty** applies only to firearms originally manufactured by **Trailblazer Firearms** and purchased new through an authorized distribution or retail channel.

What We Will Do

If Trailblazer Firearms determines that a firearm has a defect covered by this Limited Lifetime Warranty, Trailblazer Firearms will, at its option:

- repair the firearm;
- replace the defective component;
- replace the firearm with the same model or a comparable model if the original model is no longer available; or
- provide another remedy that Trailblazer Firearms determines to be appropriate under the circumstances.

Covered warranty repairs will be performed without charge for parts or labor.

Replacement firearms or components may be new or serviceable replacement products of comparable function and quality where permitted by law.

What Is Not Covered

This **Limited Lifetime Warranty** does not cover damage, malfunction, deterioration, or loss resulting from:

- normal wear and tear, including normal cosmetic wear or finish deterioration;
- rust, corrosion, improper storage, neglect, or inadequate maintenance;
- misuse, abuse, negligence, accident, improper handling, or use contrary to the owner's manual;
- use of incorrect, defective, improperly loaded, handloaded, reloaded, remanufactured, or other ammunition not appropriate for the firearm;
- firing with a bore or barrel obstruction;
- improper installation of parts or accessories;
- alteration, modification, repair, adjustment, or disassembly beyond the procedures described in the owner's manual, **to the extent that such action caused or contributed to the condition for which warranty coverage is requested**;
- aftermarket parts or accessories, **to the extent that such parts or accessories caused or contributed to the condition for which warranty coverage is requested**;
- damage caused by fire, flood, impact, improper transportation, or other external causes;
- criminal misuse or other unlawful use of the firearm;
- loss or theft; or
- cosmetic conditions that do not adversely affect the safe or proper mechanical operation of the firearm.

Accessories manufactured by another company are covered, if at all, by the warranty provided by their respective manufacturer.

Trailblazer Firearms reserves the right to inspect and test any firearm submitted for warranty service to determine whether the condition is covered by this Limited Lifetime Warranty.

Product Registration

Product registration is strongly encouraged because it allows **Trailblazer Firearms** to provide faster service and maintain accurate product records.

Registration can be completed at: **https://trailblazerfirearms.com/owner-registration/**

Registration alone does not establish proof of ownership or warranty coverage. **Trailblazer Firearms** may request reasonable proof that the claimant is the original retail purchaser.

Failure to register the firearm does not eliminate warranty rights otherwise available under this Limited Lifetime Warranty or applicable law.

Obtaining Warranty Service

Before returning a firearm, contact **Trailblazer Firearms Customer Service** to obtain **a Return Merchandise Authorization** ("RMA") and shipping instructions.

Do not ship a firearm to Trailblazer Firearms without prior authorization.

Any firearm returned for service must be completely unloaded and packaged in accordance with **Trailblazer Firearms'** shipping instructions and all applicable laws and carrier requirements. Do not include ammunition with the firearm.

Unless otherwise authorized, remove aftermarket accessories before returning the firearm.

Shipping Charges

Trailblazer Firearms will determine shipping arrangements when an **RMA** is issued.

If the condition is determined to be covered by this **Limited Lifetime Warranty**, **Trailblazer Firearms** will cover reasonable return shipping of the repaired or replacement firearm to the customer as permitted by applicable law.

Trailblazer Firearms may, at its discretion, provide prepaid inbound shipping for warranty evaluation.

If inspection determines that the condition is not covered by this **Limited Lifetime Warranty**, the customer may be responsible for shipping, inspection, parts, labor, and other applicable service charges. No non-warranty repair for which a charge will be imposed will be performed without customer authorization.

Transferability

This **Limited Lifetime Warranty** is provided solely to the original retail purchaser and is not transferable.

Trailblazer Firearms may, at its sole discretion, provide service or assistance for firearms owned by subsequent purchasers. Any such service does not create or extend warranty coverage.

Exclusive Remedy and Limitation of Liability

To the extent permitted by applicable law, repair or replacement as described in this **Limited Lifetime Warranty** shall be the purchaser's exclusive remedy for a covered warranty claim.

TO THE EXTENT PERMITTED BY LAW, **TRAILBLAZER FIREARMS** SHALL NOT BE LIABLE FOR SPECIAL, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING FROM THE PURCHASE, OWNERSHIP, POSSESSION, OR USE OF THE FIREARM.

Some states do not allow limitations or exclusions of incidental or consequential damages, so these limitations or exclusions may not apply to you.

Any implied warranties arising under applicable law are subject to the limitations permitted by federal and state law.

This **Limited Lifetime Warranty** gives you specific legal rights, and you may also have other rights that vary from state to state.

Important Safety Notice

If you believe your firearm is damaged, malfunctioning, or unsafe, **stop using it immediately**, unload it in a safe manner if it can safely be unloaded, and contact **Trailblazer Firearms Customer Service**.

Do not attempt to fire a firearm that you believe may be damaged or malfunctioning.

Record Your Firearm Information

Trailblazer Firearms strongly recommends maintaining a separate record of your firearm's model, serial number, date of purchase, and proof of purchase in a secure location.
